JESUS | THE LIGHT THAT BRINGS LIFE JOHN 1:1-4

Hope, joy, help, the great questions of origin, purpose, morality, and destiny, the understanding of you are, where you came from, what is good, and where you are going . . . you will find none of those answers in the darkness. The darkness brings confusion, discouragement, uncertainty, and ultimately death. The wonderful truth is that when light comes into darkness the darkness must flee. Flip the light switch in a dark room. The light arrives and the darkness disappears. That is the reality behind Christmas. Christmas is about Christ piercing the darkness to reveal who God is, to do what we never could accomplish, and to give life to those who believe in Him. John makes this clear in the magnificent prologue to the Gospel he wrote about Jesus. What wonderful insight does John aive us about Jesus and why is this important to know and believe?
