OVERCOMING EVIL WITH GOOD  
ROMANS 12:14-21**

I believe it was J. Vernon McGee who told a story about a man passing out Bible tracts. He handed one to a man whom he did not know was illiterate. He said read this tract it will change your life. The man responded I can't read, but I'll watch your tracks. There are those who are watching us. It is crucial for us to live as authentic Christians because we represent Christ to a watching world. Paul instructed the Romans to surrender to God, be not conformed to this world, but transformed, to think rightly of themselves, to use their gifts, and to be genuine. Now in our passage for today he shares maybe the most difficult of all his instructions. He echoes Jesus' words from the sermon on the mount. How can an authentic follower of Christ overcome evil with good?

1. An authentic follower of Christ retaliates with \_\_\_\_\_ and \_\_\_\_\_.
  
  
  
  
  
  
  
  
  
  
2. An authentic follower of Christ is \_\_\_\_\_ not \_\_\_\_\_.
  
  
  
  
  
  
  
  
  
  
3. An authentic follower of Christ is \_\_\_\_\_ enough to take the high road and \_\_\_\_\_ of the \_\_\_\_\_ so God can do His work.

OVERCOMING EVIL WITH GOOD  
ROMANS 12:14-21**

I believe it was J. Vernon McGee who told a story about a man passing out Bible tracts. He handed one to a man whom he did not know was illiterate. He said read this tract it will change your life. The man responded I can't read, but I'll watch your tracks. There are those who are watching us. It is crucial for us to live as authentic Christians because we represent Christ to a watching world. Paul instructed the Romans to surrender to God, be not conformed to this world, but transformed, to think rightly of themselves, to use their gifts, and to be genuine. Now in our passage for today he shares maybe the most difficult of all his instructions. He echoes Jesus' words from the sermon on the mount. How can an authentic follower of Christ overcome evil with good?

1. An authentic follower of Christ retaliates with \_\_\_\_\_ and \_\_\_\_\_.
  
  
  
  
  
  
  
  
  
  
2. An authentic follower of Christ is \_\_\_\_\_ not \_\_\_\_\_.
  
  
  
  
  
  
  
  
  
  
3. An authentic follower of Christ is \_\_\_\_\_ enough to take the high road and \_\_\_\_\_ of the \_\_\_\_\_ so God can do His work.
