

THE SEVEN CHURCHES | THE COMPROMISED CHURCH REVELATION 3:14-22

We studied the faithful church of Philadelphia and now we move to the faithless compromised church of Laodicea. Jesus often began His address to these churches with a commendation, however, there is no commendation for this church. Jesus calls them lukewarm. Of all the things we would want Jesus to call us, lukewarm would be among the last. Lukewarm water in the first century would have been useless. It describes the faith of this nominal church that is more enamored with the ways of the world than the Way, the Truth, and the Life. This church is deceived into thinking things are great, when in reality they are about to get spit out by Jesus. What can this church do? Is there any hope? Let's look at Jesus' direction to the church of Laodicea.

1. The lukewarm church needs to _____ their condition and seek Christ for spiritual _____, _____, and _____.

2. The lukewarm church needs to open the _____ to their dead church, invite _____ in, and restore their _____ with Him.

3. The lukewarm church that _____ will receive tremendous _____ from the Lord.
