

LAUNCHING REVELATION |
THE VISION OF THE LORD JESUS CHRIST
REVELATION 1:9-20

Today we will see a unique picture of the Lord Jesus Christ. The Apostle John was on the small, rocky island of Patmos. He was faithful in preaching Christ, and it led to him being punished by exile. During his time of struggle, Jesus appeared to Him for a specific reason. He had an extraordinary revelation for John, and He would instruct Him to write it down. The picture of Jesus is powerful and should lead us to greater confidence and greater worship. It also will lay the foundation for our understanding of Revelation. What can we learn as we continue to study the introduction of Revelation?

2. A fuller _____ of the Lord Jesus Christ will enable us to _____ Him more.

3. Though the vision of the risen Christ is _____ and _____, we should have increased _____ that He will _____ God's plan.
