

UNSTOPPABLE
JOHN 12:9-19

He set His face toward Jerusalem. Nothing would stop Jesus from accomplishing His mission. He was laser focused. While people were rightfully enamored with his raising of Lazarus from the dead, the religious leaders burned with jealousy and concern that they would lose their power. They wanted Jesus dead. The everyday person in Israel wanted a national messiah. Someone who would swoop in, overthrow Rome, and reestablish Israel as a sovereign nation. The twelve wanted the same and were ready to assume positions of power when that happened. But Jesus is not a short-term savior. He had eternity in mind. He was motivated by the will of His Father and love for His creation. What really happened on Palm Sunday?
