

1 CORINTHIANS | A CALL TO MAKE THINGS RIGHT
1 CORINTHIANS 4:14-21

Arrogance and division have no place in the church. Also, God's leaders are not to be disrespected. However, the Corinthian church had divisions that elevated some leaders at the expense of others. They disobeyed God in both areas. The core issue was the arrogance of the Corinthians who sat in improper judgment of these teachers. Paul had to warn them for their own good. He shared his motive, his representative, and the consequences of his visit if they chose not to follow his warning. What can we learn about the correction and consequences of God from our passage?

1. A godly warning is prompted by _____ and comes from _____ and not a _____ spirit. 4:14-15

2. God gives us _____ to guide us _____ to Him. 4:16-17

3. When we fail to listen to God's _____, we face the _____ of God. 4:18-21
