

THINGS TO COME |
THE DESTRUCTION OF SPIRITUAL BABYLON
REVELATION 17:1-18

Content is greater than the packaging. Doctrine makes a difference. In the end times a one world religion or spirituality will rise in opposition to genuine faith in Christ. It will sweep across the world uniting all nations for a moment. The Antichrist will ride this wave to power. When he and other political leaders have used it to rise to power, they will then destroy it. The Antichrist will then set himself up as the pinnacle of worship. What should we take notice of and be reminded of in Revelation 17?

_____ and stands in opposition to those who follow
Christ. 17:1-6a

2. The Antichrist will use this world religion to _____ to

3. After the Antichrist has _____ this religion, he will
_____ it and _____ himself as an object of
